

Southlands

Methodist Church

is seeking to appoint a

Community Development Enabler

10 hours per week, permanent contract

- To work with Ministerial, volunteer team and our partners at Southlands in developing the church, as a vibrant community space, spiritual and art community.
- To promote and be a welcoming face of Southlands Methodist church, and the developing art community, both in person and on social and online media.
- To facilitate and administrate bookings, and enable this information to be appropriately communicated online.
- To develop new relationships with prospective groups and partners who might use the building.
- As the role develops, and hours allow, offer hospitality in partnership with the church alongside groups using the building.

Starting Salary:
£9.60 per hour

(Methodist church living wage + 3 additional skill point)
